Dear Sir/Madam

Company name change notification

Effective 1 March 2023, Chrysaor E&P Services Limited (company number 10873483) will change its name to Harbour Energy Services Limited. In time, this company will serve as the single purchaser of all third-party goods and services required in support of Harbour Energy's UK business.

This change does not require any formal novation. The Company Registration Number and Registered Office address will remain unchanged.

During the period, 1 March 2023 to 30 April 2023, a "grace period" will be in place allowing suppliers to submit invoices in the name of Chrysaor E&P Services Limited to reflect existing purchase orders.

Effective 1 May 2023, all invoices submitted must be in the name of Harbour Energy Services Limited irrespective of what company name was on the original purchase order. Invoices incorrectly addressed will be rejected, which may result in delayed payment.

Please update your records accordingly and share this information within your organisation, as appropriate.

Thank you for your co-operation.

Yours faithfully
